

Job opening of 2 Assistant Professor positions
(Theory of topological phases)
Division of Physics, University of Tsukuba

- Position : 2 Assistant Professors
Assistant Professor A: Tenure-track
Assistant Professor B:
- Affiliation : Division of Physics, Faculty of Pure and Applied Sciences
- Field of research : Theory of Condensed matter physics (theory of topological phases)
- Required qualifications: Ph.D.
- Starting date : April 1, 2018 or before
- Terms of Appointment: Assistant Professor A: Work with Prof. Hatsugai. Within 5 years from the date of employed, the candidate is evaluated and if satisfactory, eligible to become a tenured assistant professor.
- Assistant Professor B: Work with Prof. Hatsugai. Position is in annual salary system that can be extended until March 31, 2022. Paid by the KAKENHI "Variety and universality of bulk-edge correspondence in topological phases: From solid state physics to transdisciplinary concepts, Grant-in-Aid for Scientific Research (S) Project No.17H06138.

<http://rhodia.ph.tsukuba.ac.jp/~hatsugai>
- Required documentation:
- 1) Curriculum Vitae (with photograph).
 - 2) Publication list.
 - 3) Reprints of two major papers published.
 - 4) Summary of research.
 - 5) Research plan including education.
 - 6) One reference letter or two contact addresses of the references.
 - 7) Please specify position A and/or B. If apply for both, one document is enough.
- Application deadline: All documents must arrive no later than Sep. 15, 2017.
- All documents should be submitted to : Prof. Y. Moritomo
Chair, Division of Physics, University of Tsukuba
Tennodai 1-1-1, Tsukuba 305-8571, Japan
- Inquiries : Division of Physics, Prof. Yasuhiro Hatsugai
TEL 029-853-4204
Email: hatsugai.yasuhiro.ge@u.tsukuba.ac.jp
- Other remark : All documents should be sent by registered mail. Please mark it in red ink as "Application for condensed matter theory position" on the envelope.
